Issue #5 — Student ID Pending

CRITICAL

Screenshot: Profile page showing 'Student ID Pending'

Problem

Every registered student profile shows 'Student ID Pending'. Without a Student ID, students cannot be uniquely identified or tracked in the system.

Fix Required

Auto-generate a unique Student ID upon profile completion or onboarding. Format e.g.: MS-2026-00142. Display prominently on profile.

#1 Priorities Missing

Only 'Normal (LOW)' exists. Need to add: High, Urgent, Emergency priority tiers with escalating prices.

#2 Amount Missing

Students can't see the full pricing structure upfront. All tiers and costs should be visible before ticket submission.

#3 No Issue Description

There's no text area to describe the problem. Students cannot explain their specific need or query.

Current Raise Ticket screen — only 1 priority ('Normal/LOW @ Rs.1')

Personal Information tab — no Caste field present

What's Missing

- Caste / Category dropdown (General / OBC / SC / ST / EWS)
- Caste Certificate PDF upload field
- Sub-caste / community field (optional but useful)

Why Critical

Most government scholarships and reserved seats require verified caste category. Missing this blocks students from key opportunities.
